Student Leadership:

- ♦ Student Council:
Members are chosen by the students of LCI to provide leadership and organize events. Student Council members have opportunities to sit on school committees and make decisions. Their input is valued and important.
- ♦ National Honor Society:
NHS is a service and leadership organization for academic students. Students with honors standing are invited to join this prestigious society and contribute to service, citizenship, and leadership for school and for country . . . Pro scola et pro patria.

How Students Feel About LCI

Jerrie: *“I love LCI for its incredible Fine Arts Department. It provides an opportunity for many students to express themselves in all aspects including Art, Band, Choir, Dance and Drama.”*

Christie: *“The experiences that I have had at LCI are irreplaceable. The AP classes are great and the teachers really want you to succeed. There are many fantastic programs including the NHS and Peer Support. The Athletic Program is very strong and there is such a variety of sports that you can get into, or even just come and watch. The more you get involved and give to LCI the more you will get out. For me, LCI is a happy place that I call home.”*

Colten: *“One of the strengths of LCI is the student population. There is such a wide variety of people at our school and it creates an exciting and accepting atmosphere.”*

Lauren: *“I have thoroughly enjoyed my experience at LCI because of the variety of choices I have had for education. What ever level of classes you decide to take, your teachers are happy to help you achieve your goals.”*

Jason: *“Being part of LCI athletics has allowed me to grow in many aspects of my personal life. Great coaching and school support has given me the opportunity to compete at the highest level, as well as demanding excellence in and out of the classroom. Go Rams and Clippers!”*

LETHBRIDGE COLLEGIATE INSTITUTE

LCI'S MISSION STATEMENT

The Lethbridge Collegiate Institute exists to provide our students and community with educational opportunities, experiences, and challenges through the provision of high quality academic, co-curricular, and social programs in a supportive, caring environment.

About LCI:

- ◆ Our school is big enough to offer a wide variety of programs, and small enough to provide individualized attention to student needs.
- ◆ *About 1500 students (Grades 9-12), 75 teachers, and 30 support staff.*
- ◆ Each student is assigned a teacher-advisor, who is the primary contact with the home. The advisor is an advocate who will encourage and mentor the student. A student keeps the same advisor year after year.

Our Facilities:

- ◆ Excellent classrooms and Science Lab space.
- ◆ *Five Fine Arts areas (Band, Choral, Drama, Art, Dance).*
- ◆ Two gymnasiums.
- ◆ *Fully equipped Student Fitness Centre.*
- ◆ Eight Computer Labs.
- ◆ *Library with student Internet access.*
- ◆ Full cafeteria service.

The Counselling Centre:

- ◆ Full-time student access.
- ◆ *Community agency support on campus: AADAC, Career Transitions Counselling, Family Services, Mental Health, Police Services, Psychologist.*
- ◆ Post secondary and scholarship application assistance.
- ◆ Staff work closely with U of L and LCC.

Our Programs:

- ◆ Strong emphasis on core requirements for high school graduation.
- ◆ *Extensive Fine Arts Program offering Art, Dance, Drama, Instrumental and Choral Music.*
- ◆ Second Language courses including English, French, German, Japanese and Spanish.
- ◆ *French Immersion Program.*
- ◆ Career and Technology Studies offering Auto Body, Automotives, Communications, Cosmetology, Design, Fashion, Foods, Information Processing, Materials, and Technology.
- ◆ *Special Needs support including the Learning Assistance Program, High School Transition Program, Student Support Centre and the Independent Learning Centre.*
- ◆ Career Transition focus with Work Experience, Job Shadowing and our Registered Apprenticeship Programs.

A program for everyone!

The LCI "Access to Excellence" Series:

Our distinguished achievement programs offer advanced studies for students with an above average talent or passion in certain subjects. Currently, we have three distinct "Access to Excellence" programs. Qualifying students may choose courses from any or all of them. Read on for details!

Excellence in CTS:

Craftsmanship in the Trades

- ◆ Teachers are Journeyman certified.
- ◆ *Count hours towards apprenticeships in Auto Body, Mechanics and Woodworking.*
- ◆ Earn credit towards the LCC Fashion and Culinary Arts Programs.
- ◆ *Advanced completion of the first year of a Beautician Apprenticeship.*

Excellence in the Fine Arts:

Advanced Performance in Dance, Drama, Music and Studio Art

- ◆ Audition spaces available in Chamber Choir, Jazz Choir, LCI Singers, Jazz Band, Wind Ensemble, Performance Dance, and Performance Drama.
- ◆ Advanced Studio Art Courses.
- ◆ Festival and competition opportunities.
- ◆ Performance requirements.

Excellence in Academics:

The Advanced Placement Program

- ◆ Academically challenging courses for Grades 9-12.
- ◆ *Develop advanced skills for university.*
- ◆ Receive advanced credit at post secondary institutions in 76 countries worldwide.
- ◆ *Earn a full "AP International Diploma" or choose only courses of interest.*
- ◆ Study at the AP level in: English (World Literature), Second Languages (French or Spanish), Mathematics (Calculus), and Science (Biology or Physics). AP students often take our Honors Chemistry as well.

Access to Excellence Gold Scholars:

- ◆ Grade 12 students who maintain an honors standing in their courses, and who complete 3 or more courses from our LCI Access to Excellence Series are recognized as LCI Gold Scholars.

Our focus is Student Learning!
